The web page of the Lost State Writer's Guild is being updated with emphasis on each member author's profile information. We want everyone to have an opportunity to provide their contact information and social media accounts so that they can be easily found by interested readers. Help potential fans find you and your work.

Your family and/or more personal detailed information can be included on your own web page or social media sites. Please help identify your unique genre of work on the LSWG page by checking any or all boxes of genre listed on the attached form. If we missed a label, please write it in or check "Other" and add a note to describe it.

Our updated member profile page will list the various publishers and distributors that many of us use, such as Amazon, Barnes & Noble, Indie Bound, Books a Million, and Hoot Books.

If you don't have a personal author web page, use the link from Amazon's author page or their link where your books can be found for sale. You can do the same for any other distributor or book sale page. We'll post that link to take someone directly from your member profile to find your book titles on sale.

Please return the completed profile form to either Tammy Robinson Smith or Nancy Wade. You may attach the scanned form as a pdf file, or attach to an email as a word document, or simply print and mail to LSWG at P.O. Box 4223, Bristol, TN 37625 or a later option, deliver in person at one of our LSWG meetings.
